

2CM VAUCLUSE MOON NIGHT 600 X 600

Description

The Vauclose range was inspired by the art and romance of the French countryside and pays homage to the limestone used in the French Louvre. This 2cm version of Vauclose is a porcelain paver designed specifically for exterior use. The hard-wearing R11 anti-slip finish makes it resistant to virtually all environmental conditions, safe for all outdoor spaces, and easy maintain. The 20mm thickness enables an array of installation methods, from dry laid onto sand, gravel and soil, to a raised application on deck jacks or traditionally glued to a solid surface. Available in 4 colours, and matching 10mm interior tile.
