

# ARGILE GLACIER 100 X 100MM

## Description

Argile is a stunning floor and wall tile range from Spain, in 100x100mm and 60x246mm format. A collection of 6 earthen colours that capture the character of hand-worked clays. Each colour comes with a variation of darker and lighter shades. It is a fantastic range for kitchen splashbacks, feature walls in bathrooms or commercial use like cafes and restaurants. As it is a porcelain range with R9 antislip standard, it is also great for all residential interior floor areas.
