

FRAME RIVER ANTISLIP RECT 595 X 595

Description

Frame series of porcelain tiles is a modern interpretation of the elegant character of sedimentary rock. Calibrated streaks and dynamic shading combine to create a varied aesthetic with great expressive strength.

Available in natural and antislip finishes, together with a versatile mosaic increases the configuration possibilities, guaranteeing the utmost design freedom and making it possible to lay the material seamlessly between indoor and outdoor spaces. Frame responds to all the needs of modern architecture.
