

GEOMETRIA TRAVERTINE MOSAIC 300 X 300

Description

Natural Stone will have variation from tile to tile. The stock received will therefore differ from instore samples. Please check several sheets on receipt of goods. Natural stone requires sealing with a penetrating sealer before installation, we recommend doing this before your tiling commences. The embossed surface is laser etched onto the surface and the definition of the pattern will appear stronger on some sheets to others. Please discuss with your tiler prior to installation or ask staff for further clarification.

\$27.90 each
(incl GST)
