

HIMALAYA LIGHT GREY 3D MOSAICS 290 X 290

Description

Himalaya is an Italian glaze porcelain series with a strong character, just like the mountain range from which it takes its name. Himalaya, with its effect born of saline marble, is a collection that knows how to be delicate and vigorous at the same time. Strong veining rests lightly on the essence of the material. Available in 4 colours, black/white/light grey and coral, with matching 3D mosaics, suitable for all indoor areas. Countless possibilities.
