

PERPETUAL BRECCIA WARM SOFT 600 X 1200

Description

PERPETUAL is a glamorous porcelain collection with a stunningly realistic marble-look. Stocked in four unique designs that celebrate the eternal beauty of natural stone: Belvedere Dark, Onice Clear, Oribico Blend and Breccia Warm. The collection is characterised by strong graphics inspired by the contrasts between dark and light. Not only gorgeous to view but also gorgeous to touch, PERPETUAL has a soft matt finish that offers a contemporary smooth texture. Furthermore, this amazing collection also has been produced with Protect anti-microbial protection ? which ensures the surface of the tiles actually eliminates up to 99.9% of bacteria that comes into contact with it. A seriously high performing, stunning series in the always impressive 597x1197mm format.
