

PIRANO PEARL MATT 600 X 600

Description

The Pirano range of glazed porcelain tiles have been inspired by the natural beauty in grain limestone. With all the relative homogeneity found in natural limestone, the Pirano series is characterised by a mixture of grain sizes and uniform shading across the surface of each tile. With a smooth matt finish they are easy to maintain and durable enough to be used in most residential interior areas, on both floors and walls. There are three colours in the range with Pirano Pearl being a warm light-grey shade with a hint of ivory.
