

SOFT SLATE 300 X 300

Description

Soft Slate is a solid black, slate-effect porcelain tile with a realistic slate texture. The black tone remains consistent throughout the tile faces with a range of slate-effect surfaces adding character and realism. Suitable for floors and walls throughout residential interior areas. Soft Slate also comes in 300x600 and 600x600mm formats. Mix and match for some creative and unique installation patterns.
