

TRIBECA TEA ROSE 60 X 246

Description

Tribeca is a stunning wall tile range from Spain, available in 10 vibrant bright colours. Each colour comes with a natural and consistent shade variation. It is a fantastic range for kitchen splashbacks, feature walls in bathrooms or commercial use like cafes and restaurants. Tribeca is one of the trendy neighbourhoods in Manhattan where artists and creatives have found a place to get inspired. A lively setting framed by its industrial-style buildings, its boutiques and art galleries. This environment becomes the starting point to create our new Tribeca cladding, a high-gloss porcelain tile in a rectangular brick-type format with worn edges that provide that industrial look, adding personality and light to the spaces.
