

RESIDENTIAL USE LIMITED WARRANTY

1. SCOPE OF APPLICATION

This Residential Use Limited Warranty applies to our rigid core vinyl and thermoplastic flooring, purchased from authorized dealer and installed and used residentially. Residential use is defined as normal household use.

Our flooring comes with guarantees that cannot be excluded under the New Zealand Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. What constitutes a major failure is set out in the New Zealand Consumer Law.

While you should have years of enjoyment of your new investment with peace of mind, you cannot rely on quality products and warranties alone. It is extremely important to ensure that proper installation and maintenance is carried out and also that the temperature range within the installed area is well maintained; otherwise, your warranty might not apply (see exclusions and conditions below).

The flooring should be protected from: excessive heat, prolonged exposure to direct sunlight, dryness or moisture, which may cause damage to your floor.

The benefits under these Warranties are in addition to other rights and remedies under law in relation to the goods. For the avoidance of any doubt, any and all undertakings which are not guaranteed under the New Zealand Consumer Regulations and which are not expressly included in this Warranty are excluded to the extent possible under that legislation.

2. WARRANTIES

2.1. WEAR WARRANTY

We warrant to the original purchaser that the wear layer on our flooring:

- Will not wear through the decorative surface. Scratches, indentation or reduction in gloss level is not considered wear.
- Will not stain from normal household consumable items such as food or drink.
- Will not stain from pet (domestic cat or dog) stains, including urine, feces and vomit, providing it is immediately cleaned upon discovery. Stain resistance means the ability of the floor to resist (i.e. minimize or withstand) permanent stains for the warranty period.
- Will be resistant to damage from normal household spills.
- In its original manufactured conditions, will be free from manufacturing defects.

Starting from the date of purchase, but only if no exclusions are applicable and only if all conditions are fulfilled.

2.2. STRUCTURAL WARRANTY

We warrant the original purchaser that our flooring:

- Will not delaminate.
- In its original manufactured condition, will be free from manufacturing defects.

Starting from the date of purchase, but only if no exclusions are applicable and only if all conditions are fulfilled.

2.3. INSTALLATION OVER A RADIANT-HEATED SUBFLOOR WARRANTY

We warrant to the original purchaser starting from the date of purchase, the floor can be installed over an embedded radiant-heated subfloor, but only if no exclusions are applicable and only if all conditions are fulfilled:

- In-floor Radiant Heat: flooring can be installed over 1/2" / 12 mm embedded radiant heat using the floating method.
- Electric heating mats that are not embedded into the subfloor are not recommended for use underneath the flooring. Using electric heating mats that are not embedded and applied directly underneath the flooring could void the warranty in case of failure.
- The radiant heating system must incorporate electronic temperature controls.
- Heat must be off for 24 hours before, during and 24 hours after installation when installing over radiant heated subfloors.
- Before installing over newly constructed radiant heat systems, operate the system at maximum capacity to force any residual moisture from the cementitious topping of the radiant heat system.
- Concrete moisture vapor emissions should not exceed 8 lb / 3.63 kg (ASTM F1869) / 90 % RH (ASTM F2170) with a PH limit of 9 / max 2.5 % moisture content (CM method).
- Please respect the temperature range in the room before and during the installation as specified in the installation manual, or your warranty will be void.
- Once the installation has been completed, the heating system should be turned on and increased gradually (5-degree increments) until returning to normal operating conditions.
- Floor temperature must not exceed 85°F / 30°C.
- Refer to the radiant heat system's manufacturer recommendations for additional guidance.

2.4. MOISTURE WARRANTY

We warrant that all vinyl flooring and thermoplastic composite flooring in its original manufactured state to the original purchaser from the date of purchase, under normal and reasonable use, and the surface, when properly installed, shall be resistant to damage from mopping or normal household spills. This means planks or tiles will not swell, buckle or lose integrity. The moisture warranty does not cover flooding, leaking pipes, household mechanical failures, appliance leaks. Any damage to the subfloor and/or surrounding structure that is caused by standing water or flooding is not covered by this warranty.

2.5. PET WARRANTY

We warrant that the floor will resist staining caused by pet (domestic cat or dog) stains, including urine, feces, and vomit. Stain resistance means the ability of your floor to resist (i.e., minimize or withstand) permanent stains for the warranty period. However, accidents should be cleaned up immediately (within 24 hours), as the longer they sit, the more difficult they will be to remove. Any damage to the subfloor and/or surrounding structure caused by pets is not covered by this warranty.

We expressly exclude and will not pay consequential or incidental damages under this warranty. By this we mean for example loss, expense, inconvenience or damages, other than to the flooring itself, that may result from a defect in the flooring. However, some jurisdictions do not allow exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. We reserve the right to inspect the flooring and to remove samples for additional evaluation, if we consider this necessary. Any attempt to repair or replace the flooring without our consent will void this warranty.
